

West Side Trail Map

Beginners:

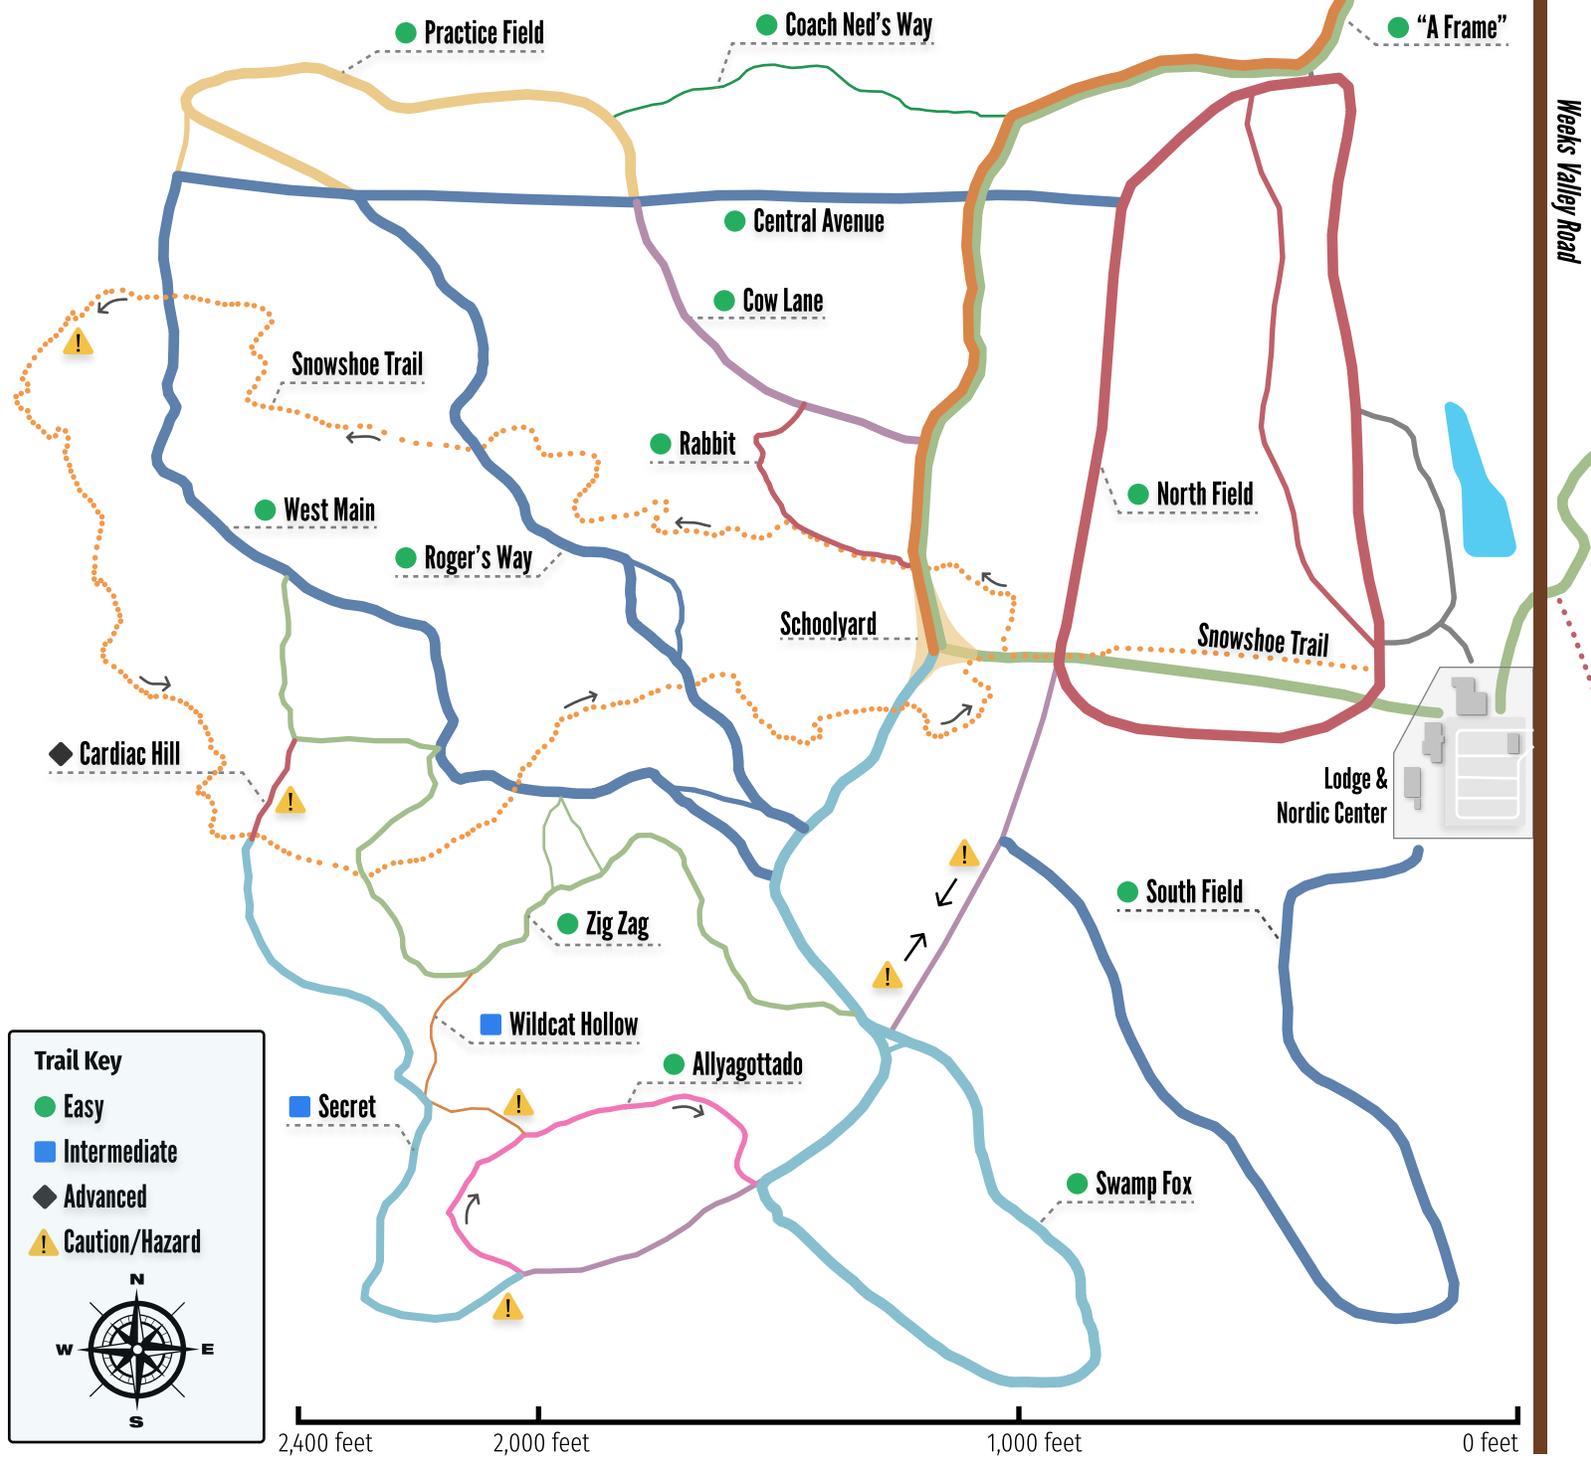

If you are a novice skier, the West Side trail system will generally have easier terrain.

North Field, Central Ave, Practice Field, Swamp Fox, and Cow Lane are all great options for beginners.

If you're ready for slightly more intermediate terrain, *West Main*, *Roger's Way*, and *"A Frame"* are all beautiful, wooded trails with a few more twists, turns, and slopes.

Rules of the Trail
